Scarborough.

Dear Mr Shingler,

We write to express our gratitude, on behalf of The Salvation Army, for the extremely kind donation of £400 given towards our work within the community at Christmas.

Without the support of people such as yourselves we would not be able to provide for the wide variety of needs that there are within the town. Thank you for thinking of us at this time.

Throughout the year The Salvation Army in Scarborough works to support the homeless, lonely and vulnerable of our community across a wide range of ages. Our homeless drop in on a Thursday evening provides a hot meal for many who would otherwise go without this basic human need. We walk the streets of Scarborough three nights a week taking hot drinks and snacks to those who are sleeping rough. We run a Kid's Club on a Tuesday for children in our community who are under privileged, providing them with things that they would otherwise go without.

It is wonderful to receive support from groups such as yourselves that take the time and effort to support the work that we are trying to do here in our community. Once again many thanks for your very kind donation.

May we wish you a very happy and successful 2016.

Yours sincerely,

Richard Weston
